Dear Dr. Albertson:

Your wonderful letter of June 17 received. Truly that was a happy surprise to receive such a wonderful recognition from the institution that I served for 36 years. I am grateful to the President and the Board of Regents.

It makes one feel that life was worth while and perhaps a little good was added to the sum total thru influence and effort expended, for the general welfare I can say but, thanks for your consideration and kindness.

Sincerely
F. J. Schmeckle
