Dear Mr. Horvath:

It is indeed a real pleasure for me to send you a letter supporting the nomination of Wallace Grange for inclusion in the Wisconsin Conservation Hall of Fame.

Wallace was for many years the number 1 wildlife manager in our state. As a graduate student, I was urged by Professor Aldo Leopold to see Wallace Grange and see "how it is really done." He was an inspiration to a whole generation of young students of conservation. He surely deserves to be remembered among the intellectual giants in our field.

Sincerely yours,

Joseph J. Hickey
Emeritus Professor
