Celebrate the work of these conservation leaders.

You are invited to become a Sponsor to Honor our Inductees!

The work of these Inductees will be viewed by 50K+ individuals on April 5th 2025. The Induction Ceremony reaches viewers that virtually tune in to celebrate as well as the many thousands of visitors to our website and many more at watch parties held both statewide and nationally.

Help us build a proud legacy while we honor our future Wisconsin conservation heroes as they are Inducted into the Wisconsin Conservation Hall of Fame.

VISION

In coordination with our partners, we envision inspiring a strong conservation ethic among all Wisconsinites to help guide their actions today and tomorrow just as conservation ethics guided the actions of our Inductees into the Wisconsin Conservation Hall of Fame throughout their respective lifetimes.

MISSION

To Celebrate and advance Wisconsin's conservation legacy as we share the stories and achievements of our Wisconsin Conservation Hall of Fame Inductees.
